**Channel Material Stainless Steel** 

**Grate Style MND** 

Steel Grade 316

Range 100

# 100MNDiCO20

## **Linear Drain**

Complete stainless steel drainage unit with centre outlet.

The 100MNDiCO20 is a fully finished ready to install all stainless steel unit featuring a tessellated hexagonal design stainless steel grate and drainage channel manufactured from 316 marine grade stainless steel.

A world first in architectural linear grates, the partnership with Marc Newson has created a new decorative solution for wet areas.

Available Finishes: satin stainless steel.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.
